

**GRAND LAKE FIRE PROTECTION DISTRICT
PO BOX 1408 GRAND LAKE, CO 80447
970-627-8428**

Chief's Report

October 11, 2017

Apparatus / Equipment

Fireboat is out of the water, bathed and in service

To Denver for new cover this fall?

E371 - Last DOT Inspection complete - short maintenance squawk list

T376 - Intermittent mobile radio issues - portable in as backup

S364 - Still has slow battery drain - continue to assess

Facilities

Asphalt crack sealing, weed eating by crews at St 1

Apartment 1 carpet bids from \$2,600 (Shadow Mtn Flooring) to
\$5,400 (Grand Valley Flooring) - complete in 2017

Operations

Filled "out of district" cistern with GFD for \$600 - possible annexation

Draft Hydrant testing - 3 left. 2 found to be OOS

Sent tender mutual aid to Granby

Big shout out to the staff for keeping house during my vacation

Administrative

Audit (All filings and letters signed per state requirements)

Budget (Cheryl on top of required notices)

Career Health Renewal

Property and Casualty renewing on 3 yr rate guarantee

Personnel

Mark Piller and Cheryl Dale now state certified as Life Safety Educators - helps with our ISO rating too!

Mark Piller passed his State Firefighter II written

Jared Williams now GLFPD combat firefighter certified

Colin Steward enrolled in Incident Safety Officer and Fire Officer courses / testing to be Live Fire Proctor certified this weekend

Jared Nelson / Cooper K. and Richard McGraw to attend S131 Squad Boss course

May be losing Matt Reinhardt to Denver Fire in February 2018

Meeting tomorrow with staff Lt's to decide career Lt. promotion

Hope to have new shifts and schedules firm by Nov 1.

New GLFPD EMT's - Richard McGraw / Colin Ross / Lucas Schmidt

New resident Eric Goldberger starting 1st week November

Community Partnerships / Pub Ed

GLFPD Open House huge success

100+ signed in / 60 completed skill stations for fleece blanket

Sparky and Smokey were the big hits

Less partner agency participation this year

Strong feedback from Constitution Week

Specifically flying the flag and two fire departments partnering

Still more requests from Allstate for verification of defensible space

It'll be interesting to see CA fire effects

Fire Chiefs reviewing county burn ordinance revisions
