RE: GLFPD Contract Mitigation

FROM: Assistant Fire Chief Seth St. Germain

Due to the logistical needs of the Williams Fork Fire and the current fire danger within Grand County and its respected fire district, all contract mitigation will be suspended until further notice.

All GLFPD contract mitigations will be honored; however, the actual date of labor or assessment will be announced at a future date.

Grand Lake Fire Protection District set the highest level of professional priority to all of its constituents. We are working diligently to assign resources to the mitigation projects. I ask that you please be patient with us.
